INDIGESTION

To strengthen the stomach, create an appetite, and remove the horrible depression and despondency which result from Indigestion, there is nothing so effective as Ayer's Pills. These Pills contain no calomel or other poisonous drug, act directly on the digestive and assimilative organs, and restore health and strength to the entire system. T. P. Bonner, Chester, Pa., writes: "I have used Ayer's Pills for the past 30 years, and am satisfied I should not have been alive to-day, if it had not been for them. They

Cured

me of Dyspepsia when all other remedies failed, and their occasional use has kept me in a healthy condition ever since." L. N. Smith, Utica, N. Y., writes: "I have used Ayer's Pills, for Liver troubles and Indigestion, a good many years, and have always found them prompt and efficient in their action." Richard Norris, Lynn, Mass., writes: "After much suffering, I have been cured of Dyspepsia and Liver troubles

By Using

Ayer's Pills. They have done me more good than any other medicine I have ever taken." John Burdett, Troy, Iowa, writes: "For nearly two years my life was rendered miserable by the horrors of Dyspepsia. Medical treatment afforded me only temporary relief, and I became reduced in flesh, and very much debilitated. A friend of mine, who had been similarly afflicted, advised me to try Ayer's Pills. I did so, and with the happlest results. My food soon ceased to distress me, my appetite returned, and I became as strong and well as ever."
